

DIRECTIONS TO IDS UK HEADQUARTERS

TEL: 01489 860000

- 1 Leave M27 at Junction 7 Hedge End/Superstores.
- 2 Keep to the left lane of the slip road and bear left in the filter lane. Almost immediately move across to the next lane avoiding the superstore. Don't panic if you end up in the superstore just follow the road right through and you will pick up road below.
- 3 From M27 slip road take the first exit at the first roundabout. Go straight over the next 4 mini roundabouts. You will pass a series of superstores and finally Burger King on your left.
- 4 Go straight for approx half a mile or so, to the next roundabout. Go straight over into Snakemoor Lane. Follow road. (There is a car sales showroom about 1 mile on, then just shortly after you will pass Durley school, both on r/h side.)
- 5 Follow Durley village road until you reach a sharp l/h bend. Immediately you reach this bend but on the right hand side you will see a small village hall. Turn immediately right, alongside the hall, into Parsonage Lane (on the l/h side of the road on the bend, you will also see a sign to Mill Place).
- 6 Follow narrow single-track road to bottom. Turn right and immediately left into a new development of houses (play area on your right).
- 7 Follow road right round bearing left past all the new houses and you will see the industrial development of Mill Court on the left. We are the building on the r/h side – far end.
- 8 If there are no parking places immediately at the front of our building, then you can park in the far car park to the right or behind our offices by going through the alley between our building and the one just before us.
